

DPC Families Newsletter

January 2019

Children's Advent play was wonderful!

Thank you everyone who made the play possible, and to the children for working so hard on their lines and songs! It was truly a pleasure and shared an important message for the Advent season.

We have an opening for a childcare provider in our nursery. Our goal is to have 3 caregivers on staff, so that two can be available each Sunday. If you know someone who loves young children and is looking for a fun part-time position, let Suzie know. She can provide a full position description and answer your questions.

Summer Dates

Montreat Middle School

Conference Maryville College July 17-21, 2019 for *young people who have completed grades 5-8*. If you are interested in your child attending (with me!) and would like more information, contact Suzie.

Westminster Music Camp

Mark your calendar! We've had so much at this camp, I hope everyone can go this year! Dates are July 8-14 and the camp is for those who have finished 1st-7th grades. Location is Westminster Presbyterian Church. Camp is Monday-Saturday mornings, with the children presenting a musical on Sunday, July 14 at 9:45 am at Westminster. It will be over in time for us to return to DPC for worship. When registration opens, Suzie will share the link.

Amazon Wish List

The children's ministry wish list has been updated with snacks and toys. You can find the list here <http://a.co/c7zjzAG>.

Also, it would be really nice to have a new or new-to-us play kitchen in the nursery to replace the old one. A used kitchen is fine as long as it is very clean and all parts work correctly. If you would like to donate one, please contact Suzie.

JuveNiles

I know you join with me in another round of applause for our JuveNiles and their singing at Lessons & Carols. Okay if someone shouts an AMEN as well. What remarkable voices and attention to text and pitch. I hope you received as many compliments as I did. One of my favorites was 'How do these children sing this well?' and my reply was 'These are DPC children and we are very fortunate to have them here.' And they sat perfectly through the entire service. Just outstanding!

Our JuveNiles will resume their regular rehearsal schedule on **Sunday, January 13**. We have a full schedule this spring and will be learning music for Epiphany, Lent, and Easter. We'll have some theory fun as well.

And, thank you for your continued support in this ministry.

Sincerely,
Mr. William
